New Link, il nome stesso suggerisce le intenzioni.

Un collegamento nuovo, tra le morbide, avvolgenti forme dell'imbottitura e la rigida, spigolosa struttura metallica, lasciata volutamente in vista nel prospetto laterale.

New link costruisce la propria armonia, attraverso un design fatto di contrasti.

ENG

New Link, the name itself suggests the intentions.

A new connection, between the soft, enveloping shapes of the padding and the severe, edgier metal structure, deliberately left visible on the lateral view.

New link builds its own harmony, through a design made of contrasts.
