**ITA**

L'immagine iconica delle grandi pagnotte, vero culto locale, diventa dunque fonte di ispirazione per una linea di imbottiti dalle forme morbide e generose declinabili in tutte le possibili configurazioni, dalla sedia al divano, al letto. A raccontare in modo più immediato l'essenza del progetto è però il pouf, dove è evidente il richiamo ai tagli praticati sull'impasto del pane di Altamura e che, con la lievitazione, ne determinano la classica forma. Le linee decisive ed essenziali, ma mai severe, che disegnano l'intera collezione richiamano inoltre quelle dei timbri storicamente usati da ogni famiglia altamurana per marchiare le proprie pagnotte, fascinosi manufatti lignei intagliati a mano le cui suggestioni creano un legame evidente tra design, natura e saperi ancestrali.

**ENG**

The iconic image of the large loaves, a veritable local cult, becomes thus the inspiration for a line of upholstery with generous, soft shapes that can be declined in all possible configurations, from chair to sofa and bed. The essence of the project is best told by the ottomans, where the hint to the cuts traditionally applied on the dough is evident the most. The swift and essential lines, though never severe, that shape the entire collection also hint back at the stamps traditionally used by each Altamurana family to mark their own loaves, some fascinating hand-carved wooden artefacts with hints at an evident link between design, nature and ancestral knowledge.
