

SISTEMA PARERE 1

AM044

ITA

Una libreria che lascia grande spazio all'immaginazione e alla possibilità di personalizzare l'interior design di ogni ambiente, dalla zona living di casa, allo studio professionale, dalle aree comuni di un hotel, a una business lounge. Parere è la libertà di esprimere la propria visione dello spazio e di giocare con diversi moduli e un'infinita possibilità di configurazioni. Una sorta di "fisarmonica" che si adatta in larghezza alle varie esigenze abitative e può essere utilizzata come libreria tradizionale, ma anche come parete divisoria per creare due ambienti da un unico spazio. Sintesi di design e funzionalità, in Parere si esprime il contrasto fra elementi verticali ed elementi orizzontali.
